

Caltech | Funding Memo

Title: Haynes Foundation 2023 Archival Grants

Funding Agency: The John Randolph Haynes and Dora Haynes Foundation

External Deadline(s):

01/06/2023 03:00 PM PST (Full Proposal)

Cognizant Office: Office of Foundation Relations

Description:

The Haynes Foundation, which supports social science research into policy issues of the Los Angeles Region, invites proposals for its Archival Grants program. A limited number of grants in support of archival and cataloging projects are available for libraries and other institutions that preserve historic Los Angeles materials of relevance to the social science/policy communities. In general, archival projects will receive only partial funding from the Haynes Foundation. Preference is given to applicants who can secure matching funds from other sources.

Frequency: Typically annual

Total Award: \$10,000 to \$60,000

- Award amount varies, recent awards have ranged from approx. \$10,000 to \$60,000.
 - Funds may not be used for equipment or tuition and fees for graduate student assistants.

Indirect Costs: 10% of Direct Costs

- **Foundation does not support traditional overhead costs or equipment.**
 - At the end of each fiscal year, the foundation will disperse payment equal to 10% of the total amount of research funds given to the institution during the course of the year to assist in institutional costs associated with the research.
 - **Caltech's minimum overhead rate is based on the award's annual gross funding. Please refer to the [FY23 Annual Rate Memo](#) for applicable minimum overhead requirements. Applicants must work within their division to account for the required overhead via an approved MORA form.**

Duration: Varies

Discipline(s): Humanities and Social Sciences

Eligibility: Grad Student, Postdoc, Research Faculty, Staff, Tenure-Track Faculty, Tenured Faculty

- Applicants are requested to notify the foundation of their intent to apply and also submit an online Proposal Information Form: <https://haynesfoundation.org/proposal-information-form/>
- Preference will be given to applicants who can secure matching funds from other sources.

- Caltech researchers other than tenure-track faculty will need to obtain approval from the Division Chair and Vice Provost for Research prior to submitting an application.

Research Areas of Interest:

- The relevance and significance of the materials to Southern California and for public policy, along with their fragility and rarity are taken into account in selecting these projects for award.
